Messaging apparatus			with Doug related to permission once AmeriCorps done with notes.
Findings from today	All	Inconsistencies across Districts and within Lack of funding, time, support Parenting use creates challenge Refer to community collaboration as solution, not school specific Transition and turnover creates lack of momentum, limited knowledge on even what they are doing, need to better understand what works	
Response to schools (in attendance and those who did not)	Wilner	Rene suggests top 3 strengths and top 3 gaps	Rene will review minutes and create draft email with Dorry and have committee review, send out
