Topic	Discussion	Action / Assigned to
School AODA Survey Results	Only one person responded to the survey who had not attended the meeting. How does our committee respond to needs/gaps?	Dorry and Fred will review responses/notes from meeting with AODA school staff and identify needs/gaps/trends in info.
Social Norms Campaign (OASD)	In the planning stages. Goal is to role it out in December (OASD). Working to create a budget of monthly cost for sponsorship if needed. Grant application response pending. Would OACFoundation help with sponsorship? Are parochial schools involved? Brenna Root provided brief summary and timeline of project for review.	Lisa M. will share with OASD Advisory Group.
Marijuana Intervention Program	Two students successfully completed the pilot (run by Dan Hinton). Good selection process for participants. Parents were involved. Process includes random drug screens. Unsupervised time, money and transportation contribute to opportunity for drug experimentation/use. Plan on continuing program. Prefer 5-6 students/group. Will look at working with schools for referrals. Would	Lisa M. , Dan and one school social worker will meet to work out referral details before next meeting (if possible).

The goal of re:TH!NK, Winnebago's Healthy Living Partnership, is to prevent and reduce the use of and exposure to tobacco, alcohol and other drugs through effective community collaboration. This partnership would not exist without support from the Winnebago County Health Department and other local agencies, organizations and community members.
